HEALTHCARE RESIDENTS & STUDENTS

(over)

Clinic Goals

- 1000+ Patients Per Day
- 100 Dental Operatories
- 10+ Vision Lanes
- 55+ Medical Treatment Rooms

- Dental services: hygiene, restorative, extractions, select endodontics, CEREC crowns, flippers, X-rays.
- Vision services: complete dilated eye exams, glaucoma screening, diabetic retinopathy, readers, prescription eyeglasses.
- All patients are triaged and have their blood-pressure, temperature and medical history taken before being seen in care areas.
- Students are welcome, however spaces are limited and students may be restricted in their involvement in direct patient care. See online registration for details.
- Volunteer for as many days as you desire. Full shift participation is requested to help maintain operational efficiency. Shift start and end times are indicated next to each assignment in the registration system.
- Volunteer healthcare professionals are not obligated to provide follow-up care. However, free or sliding-scale follow-up care is needed and appreciated, even from those unable to volunteer at the Clinic.
- Healthcare providers are responsible for their own professional liability insurance. U.S. licensed providers may be able to receive free malpractice insurance, paid for by the Department of Health, through the Volunteer and Retired Providers Program. See online registration for details.
- Only U.S. licensed professionals are able to volunteer as healthcare providers. Out-of-state providers MUST submit an attestation form to the WA State Department of Health in order to volunteer. See online registration for details.
- Approved mission of the Public Health Reserve Corps and Washington Medical Reserve Corps.
- Continuing education credits will be available at no cost to participating dentists and dental hygienists.
